

COVID-19

INFORMATION UPDATE

29 March 2021

Following the easing of restrictions from today, the NSW Government has updated the format of the Safety Plans, consolidating industry categories.

In view of the new format (which now requires far less detail to be entered), the Synod Office is no longer converting these to Word and uploading them to the Covid-19 Safe Roadmap website. The process will now be:

1. Click on the link for the plan you need to complete.
2. This will take you to the introduction page for your plan which may have additional information specific to your activity.
3. Click on the "Complete a Covid-19 Safety Plan" button.
4. Complete the details as requested. Note that if you select "Not applicable" you need to explain why.
5. Once complete, click on "Email as PDF".
6. Have Church Council approve the new plan
7. Forward Safety Plan to Presbytery and Synod as per your current practice
8. Print a copy of your plan to have on your premises

Please note that if your plan needs to be amended, you will need to go through the above steps again.

The Covid-19 Safe Roadmap website is in the process of being updated. In the meantime, links to the plans on the Government website are below.
