

Alana Karas shared a folder with you

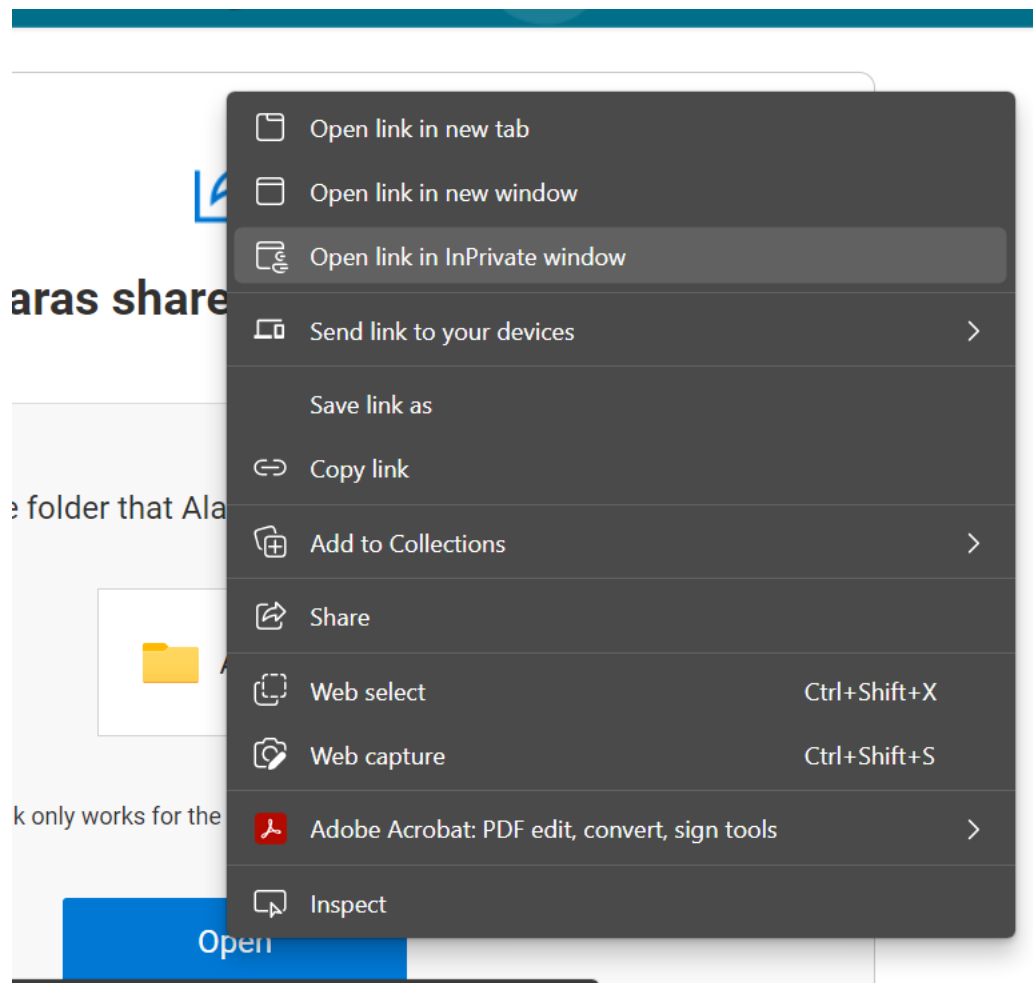

Here's the folder that Alana Karas shared with you.

 This link only works for the direct recipients of this message.

Open

The email you will initially receive will look like this.

Right click on open and choose Open link in InPrivate Window (Internet Explorer). This will have another name in other browsers – Firefox is Private Window and Chrome is Incognito. This will ensure that there are no other accounts in the background that are interfering with the link.

Request Verification Code

You've received a secure link to:

 ACOMP

To verify your identity, we'll send a code to you at **alanaj.karas@gmail.com**.

[Send Code](#)

By clicking Send Code you allow Uniting Church in Australia SYNOD OF NSW/ACT to use your email address in accordance with their privacy statement. Uniting Church in Australia SYNOD OF NSW/ACT has not provided links to their terms for you to review.

You will then come to this window. Click send code and that will then ask you to input the code from your email as below.

Enter Verification Code

You've received a secure link to:

 ACOMP

To open this link, enter the code we just emailed to **alanaj.karas@gmail.com**. [Send again](#)

Verify

Keep me signed in

Make sure that you check in the spam or junk folder for the emails. You will then be taken to the home page.

Verify Your Identity

You've received a secure link to:

 ACOMP

To open this secure link, we'll need you to enter the email that this item was shared to.

Next

By clicking Next you allow Uniting Church in Australia SYNOD OF NSW/ACT to use your email address in accordance with their privacy statement. Uniting Church in Australia SYNOD OF NSW/ACT has not provided links to their terms for you to review.

© 2017 Microsoft. All Rights Reserved.

I will change the link that I include in the email and with that new link, you should see the above. Type in the email address that you receive ACOMP papers to and it should then take you to the verification page to type in the code.
