Seeds of Growth
INVESTING IN THE FUTURE

Which seeds will you help us grow?

Seeds of Growth is a new program where every Congregation is invited to help support mission opportunities that breathe new life into our communities and bring God's love to the world.

We're planting seeds that will help the Church continue to grow and prosper, enabling us to continue Christ's work throughout the world.

Our Church stewardship program *Living is Giving* will be replaced by *Seeds of Growth* in July 2018.
