

2 18 Christmas Voucher Appeal

Christmas is a time for sharing love and light with those around us. It is a time to be thankful for what we have and show generosity to others. For people seeking asylum in our community, this time can be particularly difficult and isolating.

Together, #WeCanDoBetter for people seeking asylum. This Christmas, join us in giving the gift of love and support to families in need in our community.

- 1. Purchase a gift card or voucher to the amount of your choice. This could be a supermarket or department store voucher or even a gift card for a pharmacy, cinema or sports store.**
- 2. Send the vouchers to the Give Hope Team: PO Box 7137, Silverwater NSW 2128. We will give all donated vouchers to community organisations working to support people seeking asylum.**
- 3. Spread the word about the appeal and invite others to get involved!**
